| 800     | Exhausto   | 3% - 8%              |  |

### Olympia Liner Kit Notice

Per your requests, Olympia wood and pellet liner kits shipped from our Kent and Denver warehouses will come with screenless caps. This is a running production change and expect to see them sometime this summer. Customers served out of our West Sacramento warehouse will continue to receive screen caps.

Thanks,

~The AES Team~
